

YOUR JOURNEY FIT GUIDE

A thoughtful starting point for planning your Viking cruise.

Take three minutes to consider what matters most. Bring your answers to Captain Ron for a personal conversation about the journey, itinerary, and arrangements that fit you.

1 EXPLORE THE EXPERIENCE

RIVER

Culture along the waterways

Smaller vessels mean more historic cities and local exploration - daily ports of call.

OCEAN

Exploration with room to unwind

Destination-focused cruises with intimate ships carrying fewer than 1,000 guests.

EXPEDITION

Nature, discovery, and adventure

Distinctive destinations and expedition activities. Landings and daily plans can change with conditions; physical requirements vary.

Dreaming of a much longer journey? Ask about Viking world and grand voyages. We will discuss time away, travel stamina, budget, and the full itinerary together.

2 IDENTIFY YOUR PLANNING PRIORITIES

What would make this vacation feel worthwhile? Choose any that apply.

☐ History + culture ☐ Rest + relaxation ☐ Nature + adventure ☐ A blend

Where do you want to go, and what do you most want to experience?

What daily pace suits you? Any walking, step, or flight-comfort needs?

When, for how long, and with whom would you like to travel?

What is your comfortable budget per person for the entire vacation?

Think flights, cruise, excursions, pre- and post-trip extensions, travel protection, and incidentals.

3 TWO WAYS TO PLAN MORE CONFIDENTLY

Captain Ron will explain the applicable deposit, payment terms, and review Viking's generous change and cancellation terms.

Budget for the whole journey. We will compare the arrangements with your priorities, so you can decide where extra spending adds value and where it may not.
